#ParentBack2SchoolTweets

1. From the Parent Who Knows It's Time

You might not be quite ready to go [#backtoschool](#), but I'm more than ready to return my kids to you. ;) [#parenting](#)

Can you say "free child care"?

2. From the Parent Who'll Be Thinking Twice About Her Drop-Off Wardrobe

It's official, my 3 yr old has better style than her mama [#backtoschoolshopping](#)

[#YogaPants4Life](#)

3. From the Parent Whose Soul Is Dying Just a Little

Reluctantly joined the minivan crew. My tshirt says NOPE because [#nope](#)
[#parentingproblems](#)

Remember the days when you drove a super-cool compact? Nope. We don't either.

4. From the Parent Counting Down Like It's Chrismahanukwanzakah

Only three sleeps to go.....[#backtoschool](#) [#parenting](#)

I believe that would be a Petite See-yah. Or a Chardon-yay.

5. From the Parent Who's Nailing the "Glass Half-Full" Thing

We have a first day of school tradition: Forgetting to take pictures. We're very consistent with it. [#parenting](#) [#BackToSchool](#)

Predictability is highly underrated.

6. From the Parent Who's Discovered the True Miracle of School

"I'm so glad tomorrow is Monday." <----File that under things I never thought I'd say.
[#parenting](#) [#weekendsarehard](#) [#backtoschool](#)

THAT came outta ME?

7. From the Parent Who Just Got Back From Drop-Off

Do you hear that? That's the sound of silence. [#parenting](#) [#backtoschool](#)

You've got until 3 pm to take it all in.

8. From the Parent Who Can Fully Appreciate the Little Things

As a SAHM, I look forward to Mondays. This is the 1st day of the week I get to go potty by myself [#parenting](#) [#toddlers](#) [#backtoschool](#)

Small victories!

9. From the Parent Who Just Got "The Letter"

And we're off. First Head Lice letter of the year! [#BackToSchool](#) [#HeadLice](#) [#Parenting](#)

We're getting itchy just reading this.

Enjoy your Black Book!

Enrober

The Burford Enrober allows for complete coverage of dough pieces with dry toppings on high-speed automated bread lines. The compact design allows it to be integrated into existing lines. This portable cantilever enrobing system can be quickly moved offline for product changeovers and tool-less sanitation. Diversify your product line by adding a Burford High Speed Enrober.
