## Burford Spotlight: Our Sales Team

Mitch Lindsey started his career at Burford Corp. in 1983 serving on our assembly line. During that time he also assisted in manufacturing & parts when things were slow. He moved to Service in 1986 and worked for approximately 13 years. During which time, while in plant, he assisted with machine inspection. He later moved to full time inspection/in-house service & added on the Technical Data Sheet "TDS". Mitch has been serving in Sales the last 10 years.

Clay Miller began his career with Burford Corp. 2001 as a mechanical engineer. He worked in the Engineering department from 2001 until the end of 2008 designing and learning about the impressive Burford line of equipment. In 2009 he was asked to move into Sales to work alongside one of the best, Don Ivey. He has since served in numerous industry associations, filling the role of the Secretary/Treasurer of the ATBI since 2015, Program Chair & 2<sup>nd</sup> Vice Chairman of ASB in 2017/2018 along with joining the BEMA Board of Directors in 2016 after serving 3 years on the BIF committee.

Luke Honour started his career for Burford Bakery Solutions in 2015. He travelled to various bakeries as a Service Technician & served in this capacity for nearly 2 years before moving into Sales in 2017. His territory includes all of Europe, South Africa, India, Middle East and Russia. Working with the Middleby Worldwide Offices, Luke has developed a strong Burford presence in these territories.
